

Tongue Canapes

Toast rounds of bread, butter to edge with mustard butter. Cut cold boiled tongue thin, little smaller than bread. Lay on rounds so that a ring of mustard butter will show all around. Garnish with dab of mustard butter in center of meat.

Sweetbread Entree

Soak sweetbreads in cold water 1 hour; parboil 20 minutes. Cut in small pieces.

Season rich white sauce with paprika and little lemon juice, add sweetbreads, pour into buttered ramekins. Cover with buttered bread crumbs, bake in hot oven till brown.
