

## A NEW BREAKFAST DISH.

Make a soft pancake batter with one egg well beaten, a good pinch of salt, half a cupful of milk, half a teaspoonful baking powder and the necessary flour. Put bacon drippings in a deep skillet, pour in the batter as soon as the fat is hot, and as soon as the batter begins to stiffen, cut it in all directions until it is like coarse hash. Serve when well browned. Catsup may be served with this dish.
