

Butterfly Salad (Prize Recipe)—To make one salad take a slice of canned pineapple and cut it in two. Lay it on a lettuce leaf with rounding sides together to form the wings of the butterfly. Cut a date or a fig in an oblong shape and place it between the wings to form the body. Slice thin rings of stuffed olives and lay the circles on the wings to form the spots. Make the feelers of thin strips of celery and dot the eyes with pieces of raisin. Serve with French dressing.—Mrs. William C.
