

Cheese and Fruit Salad

- 3 slices pineapple, canned or fresh
- $\frac{3}{4}$ pound of cottage or cream cheese
- 2 apples
- Lettuce
- Mayonnaise

Wash apples, core and cut in half-inch slices. Cut pineapple and apple slices into wedge-shaped pieces and place alternately in a circle on lettuce. Place a ball of cheese in center. Garnish with mayonnaise and dash of paprika. Apple wedges should be dipped in lemon juice or vinegar to prevent darkening.
