

Cheese Roll.

$\frac{1}{2}$ cup rice, 1 cup milk, 1 tablespoon chopped onion and parsley, $\frac{3}{4}$ cup grated cheese or cottage cheese, $\frac{1}{2}$ cup mashed potato, pepper and salt to taste.

Cook the rice in the milk with the

chopped onion and parsley, then add the mashed potato, pepper and salt. Form into a roll, brush with fat drippings and brown in over. This roll can be made up with many variations. Bread crumbs, beans and cheese may be combined, using enough of the liquor in which the beans were cooked to moisten the mixture so that it can be made into a loaf. The beans should be mashed.
