

Chocolate Nut Chips

- | | |
|----------------------------------|------------------------|
| 1 Cupful Brown Sugar | 1 Tablespoonful Butter |
| 1 Teaspoonful Cream
of Tartar | 1 Cupful Molasses |
| | 1 Teaspoonful Vanilla |
| 1 Cupful Nut Meats | |

TO make this delicious candy, put all the ingredients except the nuts and vanilla, into a saucepan. Boil until it will harden in water, add nut meats, chopped fine. Boil until the mixture will crack, remove and flavor with vanilla. Pull into thin strips and cut into small pieces with a pair of sharp, clean scissors. When cold, dip in melted chocolate flavored with a little vanilla. Light-colored molasses should be used.
