

CRANBERRY SALAD:

1 quart cranberries cut up through food chopper.

2 oranges, skins, too, cut in chopper, but squeeze juice first.

2 cups sugar and 1 cup water boiled a few minutes. Remove from fire.

Add 1 envelope gelatine dissolved in 1 cup cold water. Add the cranber-

ries and oranges to syrup. Stir once in a while to keep fruit well mixed

in gelatine. After it begins to set add 1 cup chopped celery and 1 cup

raisins.
