

## Creamed Lettuce

WASH and drain 1 pound leaf lettuce and cut into medium small pieces. Saute  $\frac{1}{3}$  cupful diced bacon, cooking until the bacon is crisp, but do not allow grease to burn. To the fryings add 1 tablespoonful flour and stir to a smooth paste. Add 1 cupful sour cream, 2 tablespoonfuls vinegar, 2 teaspoonfuls sugar, and 1 teaspoonful salt. Cook until the sauce is smooth. Pour over the lettuce, mix thoroly and serve at once. This is especially good served with hashed brown potatoes.
