Place 1 cup of milk and 3 cups of sugar over the fire and let it come to a boil; then add 1 pound of seeded dates. Stir continually until it becomes thick enough to form a ball in cold water. Then remove from stove and add 2 cups of nut meats (pecans preferred) and beat until it begins to thicken.

Wet a huck towel in cold water and wring it as dry as possible; pour candy on it and roll it up. When the towel is dry remove and slice loaf as you do cake.
