

M-m-m! What a treat for Sunday-night supper! A new and better kind of Deviled Eggs.

"I just cut 6 hard-boiled eggs lengthwise," writes Mrs. Sturtz, "mix the yolks with a cup of Crushed Hawaiian Pineapple, a tablespoon vinegar and $\frac{1}{2}$ teaspoon salt. I pile this mixture in the eggs and serve on lettuce with mayonnaise. Sometimes I garnish with chopped salted peanuts. It's a splendid dish."
