

Eggs In A Nest.

Toast, on one side only, as many slices of bread as there are persons to serve. Use one egg for each person. Separate white from yolks. Beat whites until stiff and dry. Pile beaten whites on toasted side of bread, making a hollow in the center. Drop yolk in each hollow. Place in a baking dish, cover and bake in a moderate oven until white is firm. Sprinkle with salt and pepper and grated cheese and put under flame in broiling oven long enough to melt cheese. Serve at once.
