Excellent Nut Candy

## A Good Way to Make Peanut Candy

2 Cupfuls of Roasted  
Peanuts

2 Cupfuls of Gram-  
mated Sugar

$\frac{1}{4}$  Cupful of Water

2 Tablespoonfuls of  
Grated Chocolate

2 Teaspoonfuls of Va-  
nilla Extract

**B**OIL the sugar, chocolate and water until it threads from a spoon. Then add the vanilla and the nuts. The nuts should be roasted and well broken, and added to the candy while warm. Stir constantly after adding the flavoring, and pour into buttered plates.
