

Luncheon Potatoes

PUT through the food chopper the ends of cold steak, or any mixture of cold meats. Into a buttered baking dish slice raw potatoes (cold boiled will do) and sprinkle thickly with the chopped meat. Over this slice a layer of raw tomatoes, or canned ones drained of most of their liquor; dot with butter and season with pepper and salt. Alternate the layers until the dish is full; sprinkle the top with a layer of cracker crumbs moistened with melted butter, and bake until done.
