

MINT CORDIAL. Wash and pick the leaves from a large bunch of mint, crush them lightly and place in a bowl with the juice of two lemons. Let stand for an hour or two; meantime boil a cupful of sugar with a pint of water for ten minutes, and pour boiling hot over the mint and lemon juice. Chill, strain, and add the juice of two oranges and a cupful of pineapple juice, with water as required. Serve in glasses half filled with crushed ice, and drop a mint sprig on each.
