

# Mock Cherry Pie

1½ Cupfuls of Cranberries (Cut in Halves)	1 Cupful of Corn Sirup
½ Cupful of Raisins	1 Cupful of Boiling Water
	1 Tablespoonful of Flour

**MIX** the ingredients and cook the mixture in a double boiler until it thickens. Bake with two crusts.

**CHEESE JELLY PIE** is excellent; this pie is quite good if made of plum or any other tart jelly. Beat one glass of jelly to paste with half a glass of water, cream together one tablespoonful of flour and one of butter and add the well-beaten yolks of two eggs, a teaspoonful of lemon or orange juice and the jelly. Mix all well, then fold in the stiffly beaten whites of the eggs. Pour into individual pie pans lined with flaky pastry, place strips of pastry crosswise over the top and bake till firm in the centers. For very special occasions these little pies are delicious served with whipped cream.
