

## NEW SALAD DRESSING.

I have never seen a recipe for salad dressing made with condensed milk in print, so am sending mine, which has proved very good.

Mix together a teaspoon of dry mustard, a tablespoon of sugar, a half teaspoon of salt and a tablespoon of flour; stir in gradually enough cold water to make a smooth paste; then add the yolks of two eggs and beat well; add a small can of condensed milk and three-fourths of a cup of vinegar. Cook in a double boiler until thick. It keeps well and can be thinned with whipped cream as used.
