

## Orange-Onion Salad.

I well remember my horror and surprise the first time I encountered orange and onion salad . . . and my complete capitulation the moment I tasted it. If you are at all fond of raw onion, you will surely like it and serve it often. Slice sweet Spanish or Bermuda onion in wafer thin slices, and arrange on crisp lettuce alternately with very thin slices of orange. Serve with French dressing.

French fried onions are a delicacy with broiled or roasted meats and they make a nice contrast in texture and flavor with soft, bland vegetables like creamed or mashed potatoes. And for a supper sandwich sometime I want you to try these strange-sounding recipes:
