

## PEANUT BUTTER FUDGE

$\frac{1}{2}$  cup Jack Sprat Peanut Butter

2 cups sugar

$\frac{1}{8}$  teaspoon salt

$\frac{2}{3}$  cup milk

Mix all ingredients together, and cook, stirring constantly. Cook to the soft ball stage (  $238^{\circ}$  F. with a candy thermometer ) - - or until it forms a soft ball when tested in cold water. The soft ball should be firm enough so that it can easily be picked up. Then let stand until cool. Beat until creamy. Drop by spoonful on wax paper. Makes about 36 fudge drops. If desired, the candy may be poured into a pan and cut into fudge squares.
