

**Potatoes and Sauerkraut.**—Cook 1 pint of sauerkraut 20 minutes and drain. Mash boiled potatoes, add 1 tablespoon butter but no milk. Put a layer of kraut in buttered baking dish and then a layer of potato and sprinkle with salt and cracker crumbs. Bake in a moderate oven 30 minutes. You may make a three-in-one dish by adding 2 pounds of cooked spare ribs over the layer of potatoes and place the crumbs over these instead.
