

PUMPKIN PIE WITH CRACKER CRUMBS:

1 large can of pumpkin.

2 measuring cups sugar.

1 teaspoon salt (level).

1 teaspoon cinnamon (rounding).

1 teaspoon ginger (rounding).

(Other spices if you wish).

Mix all together and rub smoot

5 small soda crackers rolled fine. (3
tablespoonfuls).

2 eggs beaten.

4½ cups milk, heated in double
boiler.

Butter size of a walnut.

This makes two big pies. I have
found that if all the above ingre-
dients are cooked till thick in a
double boiler and turned into a
baked pie shell—the result is very
satisfactory.

This is a very good recipe and
one that has been in my family for
years.
