

Raised Doughnuts.

DEAR FORUM: I saw a request for raised doughnut recipe. This is very good.

1 pint of milk.

1 cup of sugar.

1 cup of butter.

4 eggs.

1½ cake of compressed yeast.

Warm milk, add butter, sugar, eggs, yeast and one tablespoonful salt; add flour to make a soft sponge; let rise, then add enough flour to stiffen the consistency of coffee cake; let stand until double in bulk, then put on flour-ed board, roll out and cut wit hcutter. Let rise again and cook in deep fat. They are vevy nice for Bismarcks.
