

## ROLLED OATS BREAD.

Four cups rolled oats.

Two-thirds cup brown sugar or molasses (sugar preferred).

Four tablespoons shortening and a little salt.

Cover these ingredients with three cups boiling water. Let stand until just warm and add a dissolved yeast cake and knead very stiff with white flour. Put in a warm place and let rise over night. In the morning make into three loaves and raise again until almost double its size, then bake in moderate oven.
