

Spanish Rice.

DEAR FORUM: Mrs. Walter Rosenow asked for Spanish rice. Perhaps this will do:

1 pound of hamburger steak.

$\frac{3}{4}$ cup of uncooked rice.

1 pound can of tomatoes.

3 strips of bacon diced.

1 medium onion chopped.

1 teaspoon paprika.

Place a little fat in a heavy skillet, add diced bacon, onion and rice. Fry until rice is brown, then add hamburger and mix well, add salt and pepper to taste. Strain tomatoes and add to them paprika, then mix with rice mixture and let simmer until rice is tender; add water if needed.
