

SPINACH AND BACON.

The reader who wanted to know how to cook greens or spinach so they would be appetizing, may like this Southern recipe:

One small onion, six slices of bacon and a peck of spinach. Wash the spinach carefully and cook with as little water as possible until tender. In another utensil, fry together bacon cut in small pieces and the onion. When nicely browned, turn in with the spinach and allow to simmer twenty minutes more. Season with salt and pepper to taste and serve with sliced hard boiled egg.
