

"Vanilla wafer Apple Butter Roll."

30 vanilla wafers - $\frac{1}{2}$ pt. whipping cream
 $\frac{1}{2}$ c. apple butter - 1c - chopped nuts.
2 whip the cream + fold in the apple
butter. Spread each wafer with the
cream mixture placing one on top
of another until all the wafers are
used. Cover the outside of the roll
with the cream mixture & sprinkle
with chopped nuts. Leave in ice box for
about 3 hrs. Cut in diagonal slices ^{served with} whipped cream.
