

"Very Good White Bread."

1 yeast cake dissolved in a cup of lukewarm water.

2 qts. warm water, 1 tablesp. lard the same of salt, 2 or 3 potatoes mashed. Mix yeast, lard salt and potatoes in the 2 qts water. Then put in all the flour you can mix (probably 5 or 6 qts) Set in a warm place over night ^(over)

In the morning push down and turn over, then let it get nice and light. Make up into loaves and bake in a hot oven. This recipe makes 5 or 6 loaves.

Mrs Dr. A. Dempsey's
recipe.
