

Vitamine Dressing for Lettuce

$\frac{2}{3}$ cup cream cheese
1 yeast cake

$\frac{1}{2}$ cup French Dressing
Paprika
Few grains sugar

CRUMBLE up the yeast cake and add it to the French Dressing, which may be made with either vinegar or lemon juice. Let stand for a few moments, then beat the whole into the cream cheese, which should be mashed. Season with the paprika and serve just as you would Roquefort Cheese Dressing.
